the strange phenomenon called absurdity life is not about logics following reasonable ways it rather has absurd faces at least our perception tells us that story and we have no difficulties to follow although we struggle life is absurd really is there not a divine plan isn't absurdity a sign of the absence of the divine a sign of the devil a satanic agenda this is the reason I put those texts together giving readers an easy access to material other thinkers share with us for both experience and perception of the absurd has moved humans at all times the absurd is indeed an important topic in human's life experience there is no real answer on the why of absurdity if we are honest we do not know much about it but we can read what humans have written and thought that means listening to the voices of our ancestors they often suffered from absurdity in life too and by sharing their experiences in books and written witnesses they hoped their children had a better insight and perception and finally hope so go and read and look how your inner feelings and perceptions are affected how some will get clear and some will fade away you must give yourself time to digest what you have read go and read and think for yourself always you must find answers for yourself may your journey lead you to deep joy and peace nothing else was my intention publishing this sourcebook
